### #3 SIGNATURE FACIAL

Dubbed as the Rolls Royce of our skin care, the STEM CELL MAX does not disappoint. Designed for mature skin to improve loss of elasticity, smooth fine lines, and restore the skin's radiance using a powerful percentage of enzymes to resurface dull skin and a maximum concentration of plant derived Stem Cells to replenish collagen. It's our most luxurious and transforming facial of them all. We want you to look perfect so our Pucker and Plump organic lip exfoliation with Ormedic lip treatment is included!

60 mins     \$150

### #4 SIGNATURE FACIAL

This extravagant facial uses mechanical exfoliation consisting of a diamond tip wand to remove surface layers of dead skin while simultaneously suctioning the debris away. Proven to lighten dark spots, reduce the appearance of acne scars and stimulate the production of collagen and elastin. This is the ultimate resurfacing treatment that is safe and effective. We have added the Hydrogel Sheet Mask to this service to make your facial next level.
