

STEP BACK IN TIME

Witness the beauty and grandeur of these charming private homes as you hear stories about the people who lived in them. Travel back in time and tour Charleston through the eyes of the women and the generations of families who lived here. As a historically protected city, we take restoration seriously.

Restore and preserve your skin's vitality through this age-defying and lifting facial at The Spa of Charleston located inside the historic Francis Marion Hotel. Each treatment includes microcurrent, microderabrasion,

LED light therapy, acupressure facial massage, and nutrient-rich extracts for long-lasting results. Feel renewed as you sip on Southern Sweet Tea (Virgin or Spiked), Nibble on a Charcuterie Board & learn all about how to preserve your youth at home from a licensed professional.
