

I ONLY WANNA BEE WITH YOU HONEY & BUTTERMILK BISCUITS

Often mistakenly called “Hootie”, Charleston’s own, Darius Rucker, broke the mold of rock and country by creating his own distinctive, signature style of music.

This soulful -full body polish, wrap, and massage is 120 min treatment

dedicated to the sweet and easy music of Hootie and the Blowfish’s

lead singer and one of the greatest country music artists of our time. This succulent journey begins with a steaming mineral towel compress, infused with organic teas and flower petals,

wraps around you after you are painted with a raw honey and live fruit cell glaze. New life is breathed into skin once scrubbed with a refreshing salt and rice bran oil blend.

The finale note is a massage incorporating buttermilk steeped milk lotion and a drop of crisp sweetgrass oil to awaken and deeply moisturize the skin. Next, you’ll get a tutorial from one of Callie’s Hot Little Biscuit’s artisan bakers on how to make their classic Buttermilk Biscuits.

You’ll then get your own hands in the dough to create

your own buttermilk biscuits by hand using their award-winning recipe!
