

WHERE THE SPA OF CHARLESTON & THE STONO RIVER MEET

A DAY OF MENTAL REELING

Start your day breathing in the fresh low-country air while Captain Bill takes you to the best fishing spots in the Charleston area. See Charleston from a different point of view & enjoy sites like Fort Sumter, Shem Creek, USS Yorktown & even Dolphins playing in the waves! After a morning of fishing, enjoy a relaxing Sea Salt Buff & Massage. The Sea Salt Scrub will exfoliate your dead skin & the Massage will restore the moisture levels in your skin all while we make sure you didn't pull a *mussel* having too much fun on the boat!
